Financial donations to the Library Fund are used to purchase new resources for our Library. The librarian selects the titles. You will receive an acknowledgment of your donation from the librarian and we will notify the honored person or family. An inscription will be placed in each of the books that we are able to purchase with your donation. Your donation will also be listed in our monthly Bulletin.

HONOR SOMEONE GIFT PROGRAM

You may purchase a new book and donate it to the Library in someone's name. Please check with the librarian first before purchasing a book to avoid duplication. You will receive an acknowledgment of your donation from the librarian and we will notify the honored person or family.

USED BOOKS

We also accept donations of used books, secular or Jewish, children or adult. We will either add your used books to our collection or we will put them in our annual used book sale. The librarian makes the final decision. Proceeds from the sale go to the Friends of the Library.

Please note:

All donated books must be in good condition. We do not accept textbooks or magazines. Books will either be added to the library's collection or will be put in our used book sale, at the discretion of the librarian.

The librarian will send a letter of acknowledgement to the donor for the donated materials, but will not state an assessed value for these items.
