

# CB Bulletin in Brief

June, 2020 | Sivan—Tammuz 5780

More volunteers than usual helped out at our monthly Foodshare truck distribution last month. Thanks to everyone who was there to assist!

Thanks to blood donors and volunteers, the Social Justice Coordinating Committee and everyone else who participated in the American Red Cross Blood. We collected 43 pints of blood, which is more than double the goal for the day!

Zoom meeting interface for a Shabbat service. The top bar shows 'LIVE' and 'Custom Live Streaming Service'. Below the video thumbnails, there is a Hebrew text overlay:

#Sweet as Honey  
Sweet as honey, sweet as honey,  
Sweet as honey on our tongues (x2)

Ba-ruch A-tah A-do-nai  
Blessed are You God  
E-lo-hei-nu Me-lech ha-o-lam  
Our God, Ruler of the universe  
A-----sher k'-di-sha-nu b'-mitz-vo-tav v'-tzi-va-nu  
Who has made us holy in Your mitzvot and commanded us  
La-a-----sok b'-div-rei To-rah (x2)  
To immerse in the words of Torah

Sweet as honey, sweet as honey, sweet as honey on our tongues  
(undertone) Let us soak it up and let it all sink in-----  
sweet words of Torah

The video thumbnails show Rabbi Michael Pardo, Cantor Stephanie Kuzel, and Sign interpreter Sarah.

Shabbat Service with Zoom for now, but we will be happy to see you all in person when able. Sign interpreter Sarah (bottom) has been joining us and we have members of the deaf community attending from all over the U.S. and Canada.
